Custom Bikes

Make your bike truly unique and personal by choosing the color yourself!

For an additional fee, you can select from various RAL colors, ensuring your bike perfectly matches your own style and taste.

Did you know that we coat all our bikes in-house at our own spray facility?

This ensures that you can rely on the best **quality and durability**.

By managing everything ourselves, we maintain **full control**. This means that every bike meets our **high standards** and remains beautiful even with intensive use.

NEW

Yellow orange | matt RAL 2000

The Easy Rider Compact is the only Van Raam bike with three standard colors.

For children, there's the Easy Rider Compact Small, featuring unique components, plus an extra color that perfectly suits a children's bike!

Note: The colors on the printed page may differ from the actual colors.
